Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment
Comments:	Living downstairs to 8a I object to the proposal because: Overdevelopment of a modest building. Balanced look of the building would be disturbed . Disruption to my garden in any construction and noise in construction. Disruption to building - old original roof. Shared ownership of the roof for which I do not want additional costs created by the proposed structure.

Kind regards
