Subject: AWDM/1101/25: Approval of Condition 14 AWDM/0056/22
To: Louise Prew <louise.prew@adur-worthing.gov.uk>

Hi Louise,

there are no EH objections to this condition being signed off.

Please can the developer introduce themselves to us once appointed. If they e-mail environmental.health@adur-worthing.gov.uk when on site with their contact details then we have someone to contact should there be any complaints from the public.

KInd Regards
