2 OLD FARM
NEW SALTS FARM ROAD
SHOREHAM
WEST SUSSEX BN43 5FE
[REDACTED]

19th July 2026.

Ref: AWD/0810/26.

To Planning Officer,

As an enrolled resident at this address ^{for 19 years.} I am opposed to the Additional Building Scheme because.

1. These old buildings have been preserved to maintain the appearance of a farm, as seen from the road.
2. The greater use of New Salts Farm Rd by traffic would make it less safe for pedestrians.
3. The road to the new houses would increase noise, and increase light during the night.
4. The present barns are part of the farm scene, and also the habitat of barn owls (scheduled species) and bats. Within this small area are also grass snakes and lizards.

5. There is a plan to preserve wild life ^{in this vicinity,} as part of the project 'Wheat to Wave'. Nor does such proposed building help the River After Recovery Project.
6. This is a flood area, which has over occasions during the last 17 years affected nearby housing.
7. There will be increased pressure on Drains.
8. Bird life will be affected, especially by the increased lighting.

In all, the country experience is important for people and creatures, and for the image to live with us ~~there~~ in this area.

Sincerely

(HELLICAR)
