Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	The property is to the immediate south of ours. The proposed extension would result in a loss of light due to shading of the sun in the morning. This effect will be particularly noticeable in the winter. Parking is already difficult in Victoria Road. Increasing the number of bedrooms in the property is likely to result in an increase in the need for parking spaces, exacerbating the currently shortage.
