Dear Mr Bartlett,

Re: Unit 1 , Chartwell Road, Lancing BN15 8TY:
'County matter' application WSCC/002/11/L by Bryant Recycling Ltd for change of use from B2 to waste metal recycling facility use

Thank you for your letter of 7 January 2011, inviting this Council's comments.

The matter was considered by this Council's Planning Committee on 7 February 2011 and it was resolved:-

That West Sussex County Council is advised that the District Council has no objections to the application subject to adequate control over the operation of machinery during night time hours and over external storage.

I attach a copy of the officer's report to the Committee which includes the Environmental Health Officer's comments.

I trust that you will take these representations into account and let me have a copy of the decision in due course.

Yours sincerely,

Keith Morgan
