Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Privacy Light and Noise

Comments: We feel the addition of 3.3 metres to the height of the existing bungalow will be out of keeping with properties in Downside and the scale and appearance of this will have an impact on the street scene.

Also, we are concerned that the height of the the two storey house, with two rooflights to the front, would allow for more overlooking to our property than the previous schemes that were submitted.
