Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Overdevelopment
- Privacy Light and Noise

Comments: The proposed conservatory will over look my kitchen , bedroom and garden intruding on my privacy
Also it will block a considerable amount of light from my kitchen , bedroom and garden as the previous extension has already taken a lot of daylight from our property as the raised floor height of the property is much higher than garden ground level.
