Subject: Stamping approved plans - ADC/0235/10 - 42/44 Leconfield Rd

Ivan,

In reply to yr letter of 13 October, it has been decided to cease the practice at Adur (in line with most other authorities) of stamping plans with the decision.

Instead, the decision notices include a condition listing the approved plans, which follows Government guidance issued in November 2009.

In the case of ADC/0235/10 condition 2 clearly states which plans the permission relates to. In fact, as it is only an outline application, the layout and elevational plans could not be stamped approved in any event.

Regards
