## Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Condition 7 imposes a blanket restriction on the insertion of additional windows by reference to the now-obsolete 1977-1981 General Development Order. The bungalow has been in established residential use for over 43 years and forms part of the mature character of Mill Lane. The condition is no longer necessary or reasonable to safeguard neighbouring amenity - all properties are a significant distance away - and fails the tests set out in the National Planning Policy Framework and National Planning Practice Guidance (NPPG Paragraph 017). Full justification is provided in the attached Planning Statement.
