Address:	3 Burrell Ave Lancing

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I hope that there is consideration for any noise generated from this change of use to metal recycling. This process always generates a lot of noise. We already get a noticeable amount of noise from the industrial estate especially at night. Sound is always louder and more noticeable at night.
