Dear [redacted]

**WORTHING SOCIETY PLANNING CONSULTATION RESPONSE**

**AWDM/0654/23 - FLAT 3, 10 HEENE TERRACE, WORTHING, WEST SUSSEX BN11 3NR**

**Listed Building Consent for retrospective permission for internal alterations to block door from bedroom to bathroom on the third floor and create new opening between WC and bathroom and removal of wall and block up 1no. door to bedroom on fourth floor**.

Thank you for requesting our comments on the above-mentioned application which relates to retrospective permission for Listed Building Consent.

I have now had the opportunity to discuss the application with our Heritage Team. We consider that because the works relate to internal alterations requiring some structural alterations, this application is beyond our remit. In view of the Grade II Listed status of the building and the nature of the works, we respectfully suggest that the guidance of the Council's Design and Conservation Architect should be sought.

I hope this is helpful.

Yours sincerely,
