SCHEDULE

Conditions

01. The development hereby permitted shall be carried out in accordance with the following approved plans unless specified otherwise in a subsequent condition imposed on this decision notice.

Reference/Drawing Number	Version	Date Rec
PROPOSED SEMI - ELEVATIONS	BR03A	15.12.2021
PROPOSED SITE PLAN	BR01	09.11.2021
PROPOSED SEMI - PLANS	BR02	09.11.2021
PROPOSED DETACHED - PLANS	BR04	09.11.2021
PROPOSED DETACHED - ELEVATIONS	BR05	09.11.2021

Reason: *For the avoidance of doubt and in the interests of proper planning.*

02. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

03. Development shall not commence, other than works of site survey and investigation, until full details of the proposed surface water drainage scheme have been submitted to and approved in writing by the Local Planning Authority. The design should follow the hierarchy of preference for different types of surface water drainage disposal systems as set out in Approved Document H of the Building Regulations, and the recommendations of the SuDS Manual produced by CIRIA. Winter groundwater monitoring to establish highest annual ground water levels and winter infiltration testing to BRE DG365, or similar approved, will be required to support the design of any Infiltration drainage. No building / No part of the extended building shall be occupied until the complete surface water drainage system serving the property has been implemented in accordance with the agreed details and the details so agreed shall be maintained in good working order in perpetuity

Reason: *To ensure adequate drainage and to comply with the National Planning Policy Framework and policy 36 of the Adur Local Plan.*

04. Development shall not commence until full details of the maintenance and management of the surface water drainage system is set out in a site-specific maintenance manual and submitted to, and approved in writing, by the Local Planning Authority. The manual is to include details of financial management and arrangements for the replacement of major components at the end of the manufacturer's recommended design life. Upon completed construction of the surface water drainage system, the owner or management company shall strictly adhere to and implement the recommendations contained within the manual

Reason: *To ensure adequate drainage and to comply with the National Planning Policy Framework and policy 36 of the Adur Local Plan.*

05. Prior to the commencement of development, details of the floor level of the proposed building and any alterations to the ground levels of the site shall be submitted to and approved in writing by the Local Planning Authority and the development shall be carried out in strict accordance with such details as approved. There shall be no land raising as part of this development.

Reason: *In the interests of amenity and the environment and to avoid the risk of flooding elsewhere having regard to policies 15 and 36 of the Adur Local Plan.*

06. No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved Method Statement and shall be adhered to throughout the construction period. The Statement shall provide for:-

(i) the parking of vehicles of site operatives and visitors;
(ii) loading and unloading of plant and materials;
(iii) storage of plant and materials used in constructing the development;
(iv) the erection and maintenance of security hoarding;
(v) the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders);
(vi) measures to control the emission of dust and dirt during construction;
(vii) a scheme for recycling/disposing of waste resulting from demolition and construction works;
(viii) the anticipated number, frequency and types of vehicles used during construction (HGV construction traffic routings shall be designed to minimise journey distance through the AQMA's).;
(ix) the method of access and routing of vehicles during construction; and
(x) a commitment to no burning on site

Reason: *In the interests of highway safety and amenity having regard to policies 15, 28 and 34 of the Adur Local Plan.*

07. Works of construction or demolition, including the use of plant and machinery, necessary for implementation of this consent shall be limited to the following times:
Monday - Friday 08:00 - 18:00 Hours
Saturday 09:00 - 13:00 Hours
Sundays and Bank Holidays no work permitted

Any temporary exception to these working hours shall be agreed in writing by the Local Planning Authority at least five days in advance of works commencing. The contractor shall notify the local residents in writing at least three days before any such works.

Reason: *In the interest of amenity having regard to policies 15 and 34 of the Adur Local Plan*

08. No part of the development shall be first occupied until such time as the vehicular access serving the development has been constructed in accordance with an approved drawing

Reason: *In the interests of road safety having regard to policy 28 of the Adur Local Plan.*

09. No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details to be submitted to and approved by the Local Planning Authority

Reason: *To provide alternative travel options to the use of the car in accordance with current sustainable transport policies.*

10. No part of the development shall be first occupied until the vehicle parking and turning spaces have been constructed in accordance with the approved plan. These spaces shall thereafter be retained for their designated use

Reason: *To provide adequate on-site car parking and turning space for the development having regard to policy 28 of the Adur Local Plan*

11. No part of the development shall be first occupied until electric vehicle charging points have been provided in accordance with plans and details to be submitted to and approved by the Local Planning Authority

Reason: *To accord with current sustainable transport policies.*

12. No dwellings shall be occupied until the associated facilities for storing refuse and waste, including for waste that can be recycled, have been provided in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of amenity and to comply with the West Sussex Waste Local Plan.*

13. No works or development shall take place until full details of all hard and soft landscaping works and the proposed times of planting have been approved in writing by the Local Planning Authority and all soft landscape works shall be carried out in accordance with those details and at those times. Any plants which within a period of five years from the time of planting die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

    Reason: *In the interests of visual amenity and the environment and to comply with policies 15 and 30 of the Adur Local Plan.*

14. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the buildings shall not be occupied until such walls and/or fences have been erected and they shall thereafter be retained permanently.

    Reason: *In the interests of amenity and to comply with policy 15 of the Adur Local Plan.*

15. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls (including windows and doors) and roofs of the proposed buildings has been submitted to and approved in writing by the Local Planning Authority and the development shall be completed in accordance with the approved schedule.

    Reason: *In the interests of visual amenity and to comply with policy 15 of the Adur Local Plan.*

16. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 2015, as amended, (or any order revoking and re-enacting that Order with or without modification), the proposed dwellings shall not be extended or altered by means of any development as set out within Classes A, AA, B, C, D and E of Part 1 of the Schedule to that Order.

    Reason: *In the interests of amenity and the environment having regard to the nature of the site and policy 15 of the Adur Local Plan.*

17. The dormer windows in the north elevation of the converted bungalow hereby permitted shall at all times be obscure-glazed and non-opening (except that part which is above 1.7 metres above the floor of the room in which the window is installed) and they shall not subsequently be altered in any way.

    Reason: *To prevent overlooking and to comply with policy 15 of the Adur Local Plan.*

18. The cill of the windows and rooflights in the north and south walls and roofslopes of the new build bungalow hereby permitted shall be installed to be at least 1.7 metres above the floor of the room in which the window is installed) and they shall not subsequently be altered in any way.

    Reason: *To prevent overlooking and to comply with policy 15 of the Adur Local Plan.*

19. The first floor window in the east elevation of the new build dwelling hereby approved shall at all times be obscure-glazed (except that part which is above 1.7 metres above the floor of the room in which the window is installed) and it shall not subsequently be altered in any way.

    Reason: *To prevent overlooking and to comply with policy 15 of the Adur Local Plan.*

20. Each dwelling shall be constructed and fitted out so that the potential consumption of wholesome water by persons occupying the dwelling will not exceed 110 litres per person per day.

    No dwelling shall be occupied unless the notice for that dwelling of the potential consumption of wholesome water per person per day required by the Building Regulations 2010 (as amended) has been given to the Local Planning Authority.

    Reason: *In order to set a higher limit on the consumption of water by occupiers as allowed by regulation 36 of the Building Regulations 2010 and to increase the sustainability of the development and make efficient use of water in accordance with policy 18 of the Adur Local Plan.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (AMENDMENT) (ENGLAND) ORDER 2015

YOUR ATTENTION IS DIRECTED TO THE FOLLOWING NOTES FROM THE ABOVE ORDER. THEY ARE FOR INFORMATION ONLY AND DO NOT PRETEND TO SET OUT THE WHOLE OF THE LAW ON THE SUBJECT. IT WOULD BE WELL FOR YOU TO CONSULT YOUR SOLICITOR IF YOU ARE IN ANY DOUBT

Appeals to the Secretary of State

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

2. If the decision relates to a householder application or minor commercial application, and you want to appeal, then you must do so within 12 weeks of the date of this notice. If the decision relates to express consent for the display of an advertisement, then you must do so within 8 weeks of the date of this notice. If the decision relates to a non-householder application, an appeal must be lodged within 6 months of the date of the decision notice. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk.

3. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

4. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements to the provisions of any development order and to any directions given under a development order.

5. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990.

7. Where this notice conveys approval or permission, conditional or unconditional, please note that the decision given does not purport to convey any consent or approval which may be required under the Building Act and Building Regulations, or any other legislation.

Reduced time for making a planning appeal where enforcement action is being taken

Where an enforcement notice has been served on the same, or substantially the same, development as in the householder application within 2 years of the date the application was made, the period for receiving an appeal is within 28 days of the date on the decision notice or of the date by which the LPA should have decided the application. Where an enforcement notice was served after the decision notice was issued or after the end of the period the LPA had to determine the application, the period for receiving an appeal is within 28 days of the date the enforcement notice was served (unless this extends the normal 12 weeks deadline).
