SCHEDULE

Reasons for Granting Permission

01. The proposed development as amended would not detract from the existing local urban environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AH7, AT12) and the adopted West Sussex Structure Plan 2001-16 (LOC1, DEV1, DEV4-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. This permission relates to the amended plans (02A and 03A) received on 24 May 2007 and not to the plans originally submitted.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The external materials and finishes of the development hereby permitted shall, prior to commencement of use of the additional accommodation thereby created, be completed to match in design, colour and texture those of the existing building unless otherwise approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

04. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings (other than as hereby approved) shall be formed in the north or south side walls or roof slopes without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH7 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

05. The glazing in the north side of the north side porch shall at all times be of obscured glass.

Reason: *To prevent overlooking and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
