FAO of Peter Barnett

I am writing to confirm that as our phone conversation on the 28th of November i am contesting the proposed rear rooflight with balcony-type opening.

The reasons for this are:-

* it will overlook my living rooms and rear garden, causing loss of privacy

* i was previosly denied an application for a "Juliet balcony" which is less intrusive.

Should you require any other information from me or would like to discuss this any further please contact me directly on [redacted]

Many Thanks
