Re: 23 Cecil Pashley Way, Shoreham Airport: Planning application for change of use from hangar to laundry with rear extension and alterations including provision of curtain walling and new window (application ADC/0040/07 by Gochers Laundry Ltd): Section 106 Obligation

Thank you for the acknowledgement memo (from Georgia Clark) dated 9 April, in reply to mine of 2 April 2009.

The attached letter (for Duncan Grover) was handed to me today, together with the undated section 106 Obligation.

Please can you complete the execution of the document as soon as possible and let me have a copy so that I can issue the planning permission.
