Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Houses are incredibly close together,this house has no side access so concerned as to how any materials will be put in,our side access runs down the back of the property and how that will be affected?.more concerningly is the noise,will it be at considerate times? Not late afternoons and weekends? We have a disabled young adult that will be affected and my husband works nights at weekends,currently it is a quiet and peaceful road.we wouldn't have a problem if this is done with consideration of very close neighbours and noise and dust is kept to a minimum and it's done quickly.

Kind regards
