Reasons for comment:	- Other

Comments: Object on basis primarily relating to the further destruction of wildlife habitat in the Shoreham Lancing green gap. There has already been extensive and devastating loss of important habitat with the development of the new Monks Farm estate and the BHFC training ground on to the North of the Railway line and I dont think further development to the south of the line should be permitted, or indeed, the north. There is also the issue of increased traffic on narrow roads and on the A259.
