Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Overdevelopment
Comments:	I strongly object to this application. I have lived here for 17 years and have enjoyed the nature and the overall farm look and feel. The new development hasn't considered this historic and unique environment. I would also raise concerns about flooding especially as within my time here I have seen both the fields and airport flooded. I would also like to

object to the destruction of natural habitats for the many animals and birds that call the barns home

Kind regards
