Dear Sir/Madam,

We would like you to accept this communication as our formal objection to the plans for the extension to the outside terrace at The Cricketers pub, by Southwick Green.

There are many reasons:
. Noise pollution increase
. Antisocial behaviour increase
. Parking capacity
. Southwick Green being a conservation area
. Lack of protection of listed buildings from vandalism
. Increase in emergency services usage

We have listed our reasons & objections. We would also like to add, that Southwick Green has been a much nicer place to live in and socialise in since the pub has been shut. We would imagine that the police have had far less incidents to attend.

If we can be of any further assistance please do not hesitate to contact us.

Kind regards,

David and Daniella Reaney
