Subject: FW: Fw: 19 Ripley Rd Worthing : WB/09/0046: Discharge of conditions 5,8,12,15

Dear Ivan,

Thank you for your letter dated 15.9.10 and enclosed documentation seeking to discharge conditions.

I am able to approve condition 8 on surface water on the basis of the latest information.

I await our landscape architects comments on details of condition 12 (landscaping) and will forward these on receipt but the latest plans appear to embrace our previous comments.

However, I have yet to receive the promised contaminated land report (condition 5) or samples of facing materials for condition 15. Please supply.

Regards
