Thank you for the opportunity to comment on the above numbered planning application. This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. In respect to the above planning application I would provide the following comments.

The fencing is approximately 2.5m away from the Footpath at its nearest point and there are open views to the north. On this basis, I have no objection.
