4. Description of Proposed Works

Please describe the proposed works:

Infill corner between two existing dormers to improve first floor layout, this can almost be done under pd rights but volume is slightly too large. The infill corner is barely visible from the ground but will make a massive difference to the internal layout as it will make the unusable corner big enough to add an extra bedroom and change the shower room to a family bathroom. It also adds energy efficiency to the house. As part of the works we would also like to add a front porch with a glazed gable above the entrance.
