PLANNING DIVISION
PLAN No. AB/08/0768
DATE 06 OCT 2008

Planning/design statement for erection of an attached dwelling at: Land Adjacent 49 Cecil Road, Lancing

Context

The proposal as stated above is for the erection of a detached dwelling on land adjacent 49 Cecil Road, Lancing, together with the removal of an existing garage.

Amount

The proposed dwelling will have a floor area of 60.29m^2.
The maximum height above ground level will be 4.3m.
Although the amenity space does not fully comply with policy, as discussed with A Ridsdale-Smith, 65m^2 would be adequate in this situation. The plot itself is in fact larger than those of the existing two storey dwellings in The Grovelands.

Layout

The layout of the building on the site has been designed so as to provide two bedrooms, lounge, bathroom and kitchen.
The entrance to the proposed dwelling will be to the side with an additional obscure glazed window on this northern side serving the bathroom.
The windows to the bedrooms, lounge and kitchen face either east or west.

Appearance

The appearance of the building will that of a traditional two bedroom bungalow with a shallow pitched hipped ended building, thus reducing the overall bulk of the scheme.
The walls will be of face brick work matching other properties within the area.
The doors and windows will be of white PVCU or timber grain effect.

Access

Access to the site will be via the existing access which serves the existing garage.
Access to and within the property will be in accordance with the requirements of Approved Document M of the building regulations.
Access to the existing property will be via the existing foot path and proposed crossover as shown on the block plan and agreed by West Sussex County Council Highway division.

Scale

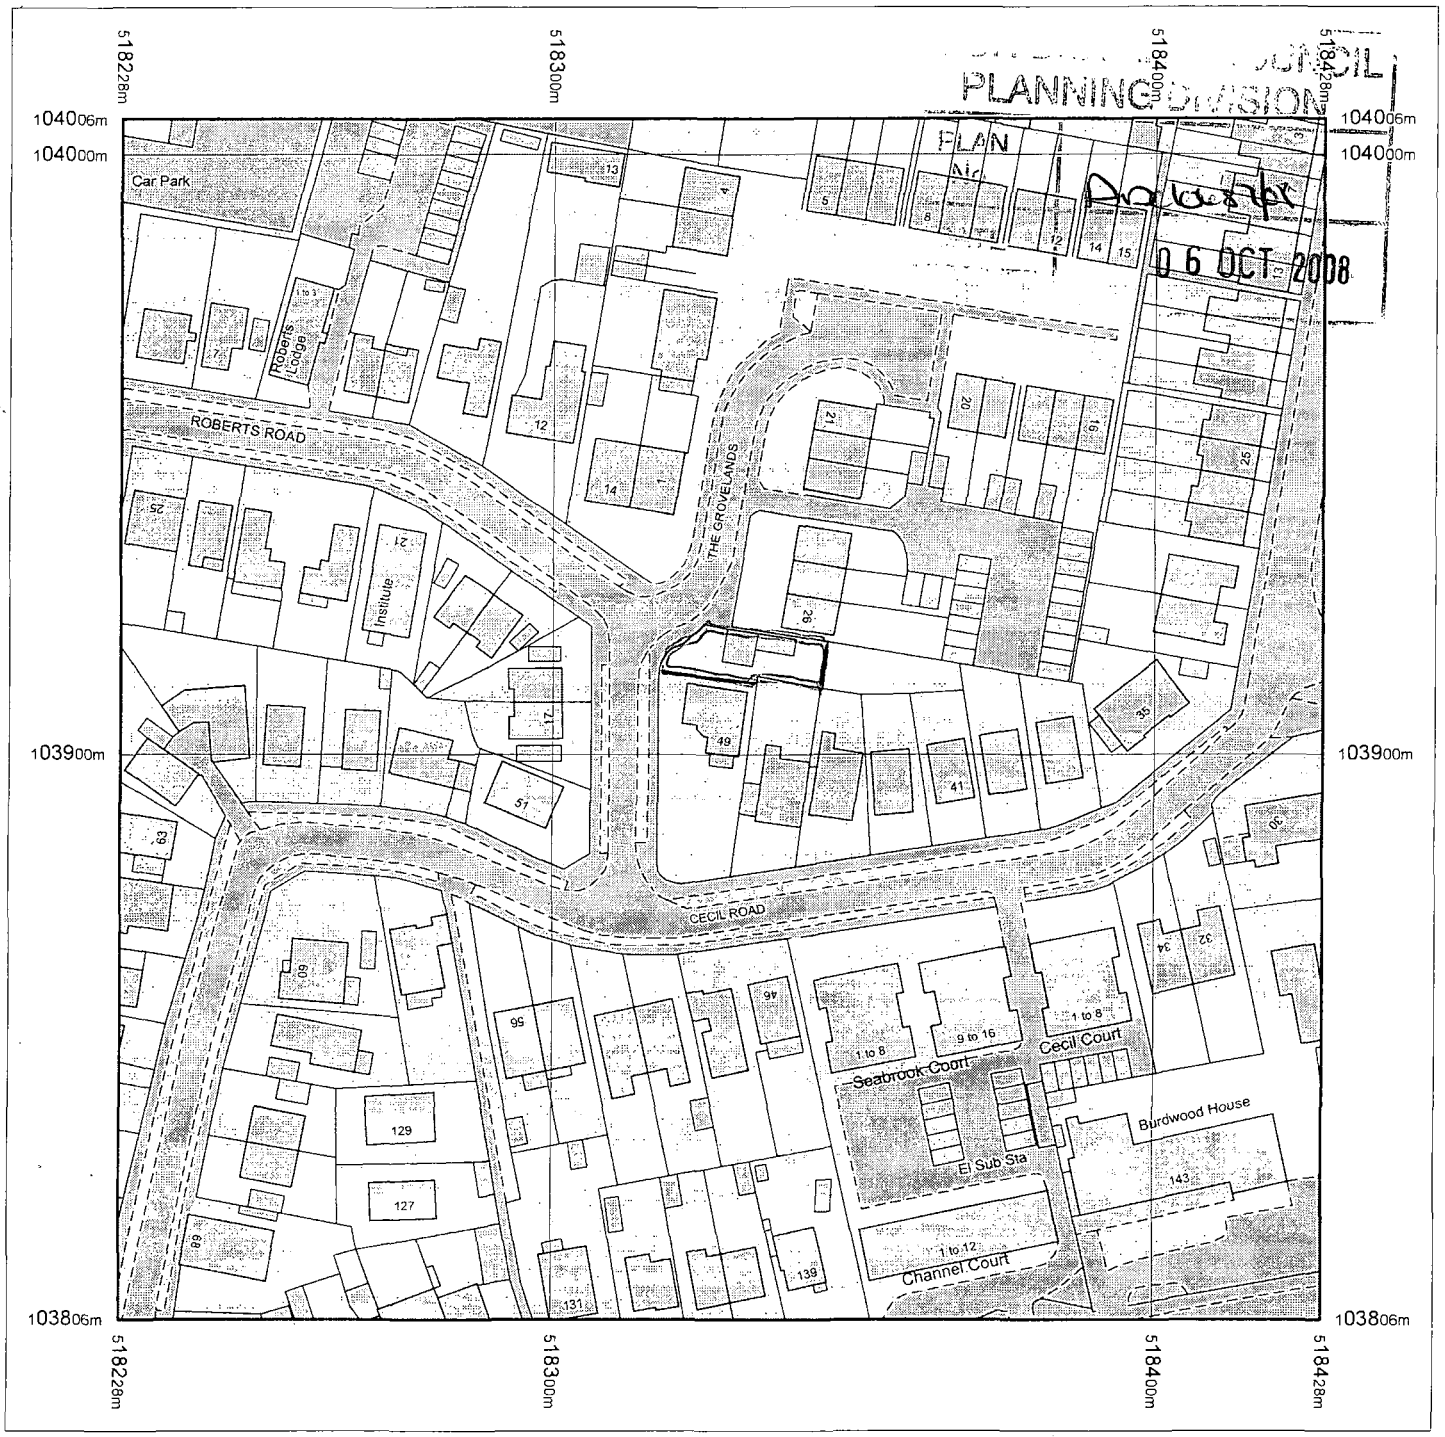

The scale of the building is similar to that of other bungalows within the area.

Landscaping

It is proposed that the plot will be laid out as existing to the rear and front are already part of a mature garden. It is proposed to extend the existing walls and fences will remain and a new 1.8m high close boarded fence will be erected between the existing and dwellings.
