SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for additional housing without detracting from the existing local environment. It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AB25, AH2, AH5) and the West Sussex Structure Plan 2001-16 (LOC1, NE1, CH1, ERA1, DEV1, DEV4-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

    Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the building shall not be occupied until such walls and/or fences have been erected.

    Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The dwelling shall not be occupied until the parking spaces and access facilities shown on the submitted plans have been provided for both the existing and the proposed dwelling in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. The areas of land so provided shall not thereafter be used for any purpose other than access and parking of vehicles incidental to the use of the existing and proposed dwellings.

    Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy AH2 of the Adur District Local Plan and DEV4-5 of the West Sussex Structure Plan.*

PTO

04. No construction work shall be carried out on site unless there is available within the site in accordance with details approved by the Local Planning Authority provision for temporary parking and loading/unloading of all Contractors vehicles, and for Contractors buildings, plant, and stacks of materials and such provision shall be retained for these purposes throughout the period of work on the site.

Reason: *In the interests of highway safety and amenity and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

05. The proposed new access shall not exceed 3 metres in width and shall be laid out to provide visibility splays on each side of its junction with the existing public highway. These splays shall be 2 metres by 2 metres on each side of the access based on the existing highway boundary. No other work shall be carried out on the site until the above mentioned splay areas have been provided and thereafter they shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

Reason: *In the interests of highway safety and to comply with DEV4 of the West Sussex Structure Plan.*

06. No works or development shall take place until full details of all hard and soft landscaping works and the proposed times of planting have been approved in writing by the Local Planning Authority and all soft landscape works shall be carried out in accordance with those details and at those times. Any plants which within a period of five years from the time of planting die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: *In the interests of visual amenity and the environment and to comply with policy AB26-27 of the Adur District Local Plan and DEV1 of the West Sussex Structure.*

07. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roof of the proposed building has been submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

08. This permission relates to the application as amended by the revised plan (02/rev.B) received on 28 October 2008.

Reason: *For the avoidance of doubt and because the application as originally submitted was unacceptable having regard to policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

09. No development shall be carried out until all buildings and structures existing on the application site at the date of this permission (except boundary walls or fences) have been demolished, the debris removed from the site and the site cleared.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

10. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any order revoking and re-enacting that Order with or without modification), the proposed dwelling shall not be extended or any incidental building (exceeding 10 cubic metres in volume) erected within its curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: *In the interests of amenity and the environment and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

11. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings (other than as hereby approved) shall be formed in the north or south side walls of the building without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

12. No buildings on the site shall be occupied until the associated facilities for storing refuse and waste, including for waste that can be recycled, have been provided in accordance with details to be submitted to and approved in writing by the Local Planning Authority.

Reason: *In the interests of amenity and to comply with policy DEV1 of the West Sussex Structure Plan and G12 of the West Sussex Waste Local Plan Deposit Draft.*
