Dear Mr Bartlett,

The Town and Country Planning Act 1990
The Town and Country Planning General Regulations 1992
Application Made Under Regulation 3

Continued siting and use of temporary classroom unit (renewal of DW/76/93) at Eastbrook Primary School, South Site, Gardner Road, Southwick, Brighton.

Planning Application No: ADC/0494/08

I refer to the above planning application received by this Authority on 8th October 2008.

I can confirm that publicity has been carried out in respect of the application, including 7 letters to nearby owners, of which there have been no comments. The Council's Environmental Health Officer has no objection to the proposals.

Having conducted a site visit I can confirm that this Council has no objection to another two year temporary permission being granted. If, however a longer temporary permission is proposed the upkeep and maintenance of the exterior of the building may become an issue, which the Council feel would require addressing by planning condition.

If you have any queries with regards to any of the above points please contact the Planning Division. Please can you send me a copy of the decision notice once the application has been decided.

Yours sincerely,

Carlos Hone
Planning Officer
