SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for sustainable housing without detracting from the existing local urban environment. It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AH2) and the West Sussex Structure Plan 2001-16 (LOC1, NE1, CH1, ERA1, DEV1, DEV4-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall take place until details of walls and/or fences have been submitted to and approved in writing by the Local Planning Authority and the building shall not be occupied until such walls and/or fences have been erected.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The dwelling shall not be occupied until the parking spaces and access facilities shown on the submitted plans have been provided in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. Such provision (including the garage) shall not thereafter be used for any purpose other than access and parking of vehicles and cycles incidental to the use of the proposed dwelling.

Reason: *To ensure adequate provision for parking clear of the highway and to comply with policy AH2 of the Adur District Local Plan and DEV4-5 of the West Sussex Structure Plan.*

04. No use of the vehicular access shall take place until a satisfactory kerb and pavement crossing between the boundary of the site and the adjoining carriageway has been constructed. The requisite specification can be obtained from the Area Highway Engineer, WSCC Southern Area Office, Clapham Common, Clapham, Worthing, West Sussex BN13 3UR. There shall be no drainage of surface water from the property onto the highway.

Reason: *In the interests of highway safety and to comply with policy DEV4 of the West Sussex Structure Plan.*

PTO

05. The access shall not exceed 3 metres in width and shall be laid out to provide visibility splays on each side of its junction with the existing public highway. These splays shall be 1.5 metres by 1.5 metres on each side of the access based on the existing highway boundary. No other work shall be carried out on the site until the above mentioned splay areas have been provided and thereafter they shall be kept free from any obstruction to visibility in excess of 0.6 metres above the level of the adjoining carriageway.

Reason: *In the interests of highway safety and to comply with DEV4 of the West Sussex Structure Plan.*

06. No construction work shall be carried out on site unless there is available within the site in accordance with details approved by the Local Planning Authority provision for temporary parking and loading/unloading of all Contractors vehicles, and for Contractors buildings, plant, and stacks of materials and such provision shall be retained for these purposes throughout the period of work on the site.

Reason: *In the interests of highway safety and amenity and to comply with policy DEV4-5 of the West Sussex Structure Plan.*

07. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roof of the proposed building has been submitted to and approved in writing by the Local Planning Authority. The details submitted under this condition shall include a light colour for the proposed boarding on the upper part of the walls.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

08. The glazing in the east and west side elevations of the dwelling shall at all times be of obscured glass.

Reason: *To prevent overlooking and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

09. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings (other than as hereby approved) shall be formed in the side walls or roof slopes of the building without the prior permission of the Local Planning Authority on an application in that behalf.

Reason: *To prevent overlooking and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

PTO

10. Prior to the commencement of development, details of the floor level of the proposed building and any alterations to the ground levels of the site shall be submitted to and approved in writing by the Local Planning Authority and the development shall be carried out in strict accordance with such details as approved.

Reason: *In the interests of amenity and the environment and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

11. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any order revoking and re-enacting that Order with or without modification), the proposed dwelling shall not be extended or any incidental building (exceeding 10 cubic metres in volume) erected within its curtilage unless permission is granted by the Local Planning Authority on an application in that behalf.

Reason: *In the interests of amenity and the environment and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
