Subject: AWDM/0403/26 24 Woodards View black corrugated metal & fence

To Hannah Barker C/O ABIR Architects,

I'm writing in reference to AWDM/0403/26 24 Woodards View. We are number 22 next door to Tim & Nat Ellman-Brown

Following a review of the current submitted planning application drawings we can confirm that we have no objection to the elevational treatment (black corrugated metal) to the west elevation. We understand that a fence is also proposed, which is welcomed.

All the best,

Ben Simon
