Mr & Mrs R Blake,

Southwick, BN42 4SQ

3rd April 2012.

Dear Sirs, **REF Proposed Ground Floor Extension Rear no 10 Old Rectory Gardens.**

We have recently had discussions with our neighbour Mr Wedekind in respect of a ground floor extension to the rear of his property. We understand that he would like to build approximately 7.5 mtrs down his garden, a single storey extension with a pitched roof to match his existing bungalow. We understand that there will be no windows to our boundary.

We would like to confirm our support for this proposal as we feel it would not have any detrimental effect to our property and would give extra privacy to our garden. We understand that ridge height would be lower than the ridge of the main roof of his bungalow, (as determined by the width of the addition) which would further reduce any impact, loss of sunshine etc.

We confirm that we are not related to Mr Wedekind, and support this addition to his living space from our own perspective.

We wish him all success with his application.

Regards

Mr & Mrs R Blake.
