Flag Status: Flagged

Hi Eve
Apologies for the delay in responding. I have had a look over the documents, they all look correct apart from the ground floor plan (Y965/2021/03). The notes to the side of the plan references an ESP 3000 EI. I do not think this extraction system includes an ESP, so this needs to be removed from the notes.
Other than that they look fine.
Hannah
