ADUR DISTRICT CONSERVATION ADVISORY GROUP

MINUTES

of an email consultation carried out during week ending wrd July, 2015

Participants: Messrs. R. Richard, J. Leigh, L. Parsons & Mrs. B. Ferrers-Guy

The following applications were unanimously approved:-

AWDM/0807/15 **AWDM/0774/15** **AWDM/0776/15** **AWDM/0856/15**

AWDM/0840/15 **AWDM/0865/15** **AWDM/0896/15**

AWDM/0625/15 82 High St. Shoreham – It is felt that this is overdevelopment of this small building on such a small site, which to a certain extent, impinges on adjacent residences.

AWDM/0737/15 2 Tarmount Lane, Shoreham – once again this application was submitted with no indication as to what business is carried on in the premises. Having ascertained it is currently a café members would question the need for such lengthy operating hours, bearing in mind there are residential properties in the area.

Members feel that extension to midnight opening on Friday & Saturday should be declined & 11 p.m. permitted closure would be more acceptable, with Sunday restricted to 10.30 p.m. closing.
