Dear Mr Porter,

re development of the Lodge at lesser Foxholes Shoreham

This is to let you know that I have been asked by the residents of Lesser Foxholes to write to you as the Chairman of Lesser Foxholes Management company to voice the objections of the company to the latest development plan.

I confirm that the residents who are all shareholders are as one in their objections which I know you are well aware of so I will not repeat them here.

Yours faithfully

M J Watts

Chairman lesser Foxholes Management co.
