Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	The new covered stand will be a positive asset for the football club. They have worked hard to get to their current level in the league which means more supporters, both home and away. Providing suitable cover is necessary to enable the fans to continue supporting the team regardless of the weather. Improved facilities will encourage more people to get involved with their local club.

Kind regards
