Dear Sir/Madam

Re: Planning Application for 53 Downside, Shoreham-by-Sea, West Sussex. BN43 6HF

I am writing to object to the above application for the following reasons/concerns:

The large size and scale of the proposed building

The design and style fitting in with the style of the current buildings in the road

Overlooking - with the proposed added front storeys my privacy would be affected

The disturbance and noise caused from building a property of this size and potential disruption to traffic. Please note this is a local bus route.

Thank you for your attention.

Yours sincerely

Mrs J. Andrews
