I forgot to add that your reference is AWDM/0613/20, Peter Barnett, and the proposed building is a two storey dwelling with 2 parking spaces

Dear Planning Dept

Re: Land north of Still Yard, 15 Riverside Road, Shoreham By Sea, West Sussex

I am writing regarding the two storey dwelling that is currently being proposed at the above address. I live at 6 Chatsworth Court, which is opposite the access road from Riverside Road to the site. I am concerned that this property is going to totally block my view of the river. I am writing to ask whether the proposed house is any bigger than the one that was there before? I am happy if it is the same size, but if it is any bigger, I would object because I bought my property simply because of the view. I know that you specify that no-one is entitled to object because of a blocked view, but I would like to know if its roof is higher.

Many thanks if you can let me know.

Kind regards,

Tara Kirk
