DEAR SIR

I AM WRITING WITH REGARD OF THE PLANING APPLICATION OF 45 VALLEY RD

WE OPOSE THIS APPLICATION AS IT WILL BLOCK THE NATUAL LIGHT INTO OUR BATHROOM AND OUR GRANDAUGHTERS BED ROOM THIS WOULD MEAN AN INCREASE IN OUR ELECTRICITY BILL AS WE WOULD HAVE TO SWITCH THE LIGHTS ON EVERY TIME WE USE THE ROOMS WE ALSO OPOSE THE DORMA WINDOWS AS THIS WILL ROB US OF ANY PRIVAREY IN OUR GARDEN.

I THINK THIS WOULD BE A GROSS OVER DEVELOPMENT AND WOULD SPOIL THE AREA AS ANY PAINT WORK WOULD BE BLACK, ANY WINDOWS WOULD BE BLACK, WHICH WOULD MAKE IT VERY DARK, AND A BLOT TO THE AREA

ANOTHER CONCERN IS THERE IS KNOWHERE AT THE FRONT OF THE PROPERTY FOR STORAGE OF MATERIALS OR BUILDERS PLANT. WE HAVE ENOUGH PROBLEMS IN VALLEY ROAD WITH CARS PARKING ON VERGES, PLUS VALLEY ROAD AND ALANDALE ROAD OPPOSITE ARE BUS ROUTES. ALSO AS THERE IS NO ACCES TO THE REAR OF THE PROPERTY, IT WOULD NEED A CRANE TO GET MATERIAL'S TO THE REAR OF THE PROPERTY. YOURS SINCERLY
