Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the removal of existing conservatory and replacement with a single storey rear extension; raised terrace/patio (amended plans). The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application with the following informative attached:**

Informative 1: The applicant should consider the use of SuDS, where possible, within their drainage strategy to provide runoff betterment.

Yours sincerely,
