Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I strongly object to this land having development on it, this is an area of outstanding beauty any development here is an eyesore and a blot on the horizon, there is no need for ridiculous sand pits, animal rides or picnic areas as we have a beach across the road, every local is aware of the very real threat of future development, if this is approved i believe this is just the first step to this area becoming housing which I think is the real reason behind this ruse to achieve his ultimate goal.

Kind regards
