Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise
Comments:	This land is protected and reserved as green gap and should not be developed in any way. Proposed shipping containers, trailers, parking and overnight camping would ruin the green gap outlook and countryside view. Overnight camping would disrupt and is currently prohibited. Noise pollution affecting general peace and local residences, especially with site being open for overnight campers. Totally out of keeping with the whole Goring Gap Green seaside/countryside ambience.

Kind regards
