Reasons for comment:	- Loss of General Amenity - Other - Overdevelopment
Comments:	This man is well known to the council and residents, he has tried several times to get permission to develop this green space, he wants to build luxury homes on it. By getting any change in usership, he is one step nearer to achieving his goal. Saying it's for the community and children etc, is just a smoke screen. He applied for a liquor licence from Worthing and was refused, so he reapplied to Horsham and it was granted! This is the way he works. He simply must not be allowed to destroy our few remaining green spaces.

Kind regards
