Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Highway Access and Parking
- Overdevelopment
- Privacy Light and Noise

Comments: I believe that any changes to the occupation capacity of this property has the potential to cause additional on street parking within an already congested cul-de-sac which suffers quite serious access problems at various times of the day. It is also my understanding that the provision of a Juliette balcony on the proposed gable to the South elevation overlooking Norbury Close is unacceptable. I therefore object to the application in total
