Dear Ms Prew

WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0728/24: 5 WARWICK PLACE WORTHING WEST SUSSEX BN11 3EU

Application for Listed Building Consent for internal alterations to the property, including the removal of the ground floor wall separating the dining room and kitchen, and enlarging the ground floor WC to accommodate a shower.

Thank you for the opportunity of commenting on the aforementioned application which relates to a Grade II Listed Building which is within the Steyne Gardens Conservation Area.

I have now had the opportunity to discuss the proposal with our Heritage Team. Due to the fact that the proposal relates to internal alterations and we have no access to the property we respectfully suggest that the guidance of the Conservation Officer will be necessary. However, in view of the listed status of the building we consider that care should be taken to safeguard any heritage features.

I hope this is helpful.

Yours sincerely
