Comments: Since moving to delightful North Lancing over 12 years ago we are gradually seeing our lovely neighbourhood destroyed by property developers. This particular application is a perfect example as was the monstrosity permitted at 42 Ring Road by a developer. Parking in the road is a real problem (some houses have 5 cars without the off road parking to support). Let alone from the noise, lack of privacy for our lovely neighbours and the problem of parking, this grandiose design is totally out of keeping with the area. If you want a big grandiose house go and buy one elsewhere! If the council again permit this atrocity remember the forthcoming election on May 4th 2017 where you will be voted out!!
