Dear Sirs

188 Upper Shoreham Road, Shoreham by Sea
Internal Alterations – Plan Ref.: ADC/0105/10

Further to our earlier application on behalf of our client, Mr G O'Reilly, he has asked that we make some minor alterations to the plans currently submitted, so as to incorporate a new shower within the existing ground floor WC. Please find enclosed our updated and amended drawings to include this alteration, where we have noted the infilling of the original rear kitchen doorway and the removal of a couple of non-load bearing internal partitions to suit. We trust that the details are reasonably self-explanatory and meet with your requirements. We trust that you can add this plan to your records; however, please do not hesitate to Alex Cook or myself directly if any particular matter requires our further input.

Yours sincerely
