Thank you for your letter dated 31/05/2023.

Southern Water has no objections to discharge condition 06 relating to foul drainage. An approval for the connection to the public sewer should be submitted under Section 106 of the Water Industry Act.

The Council's Building Control officers or technical staff should be consulted regarding the discharge condition 05 for surface water disposal.

Southern Water has no comments to make with respect to other conditions.
