Address:	120 Marlowe Road, Worthing, West Sussex BN14 8EZ

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	This is ridiculous, the garage already cannot keep the noise down. Consistently they strim the grass outside the garage at 11pm or between 6-8am. My son sleeps in the back bedroom and has been broken many times with their noise. Also consistently there are queues of cars beeping at unsocial hours if they close pumps plus in the early mornings. Also you can hear their pumps clicking

all day as they are hard to use. You can hear them open up every morning and then close up. If there is a petrol shortage the traffic and noise pollution is horrendous. If they open 24 hours a day then this will drive even more inconsiderate drivers to the area, the later drivers tend to play music really loud, they burn rubber around the roundabout. This is a recipe for making Worthing a really unsociable area. We 100% disagree with this, it's greedy and has nothing to do with making things better for the residents it's actually 100% against that. It's pure greed and will just make living in this part of Worthing hideous.

Kind regards
