Hi Peter,

Our preference would be **Pure Grey**. The large grey building you referred to I would say is similar to Goosewing grey below.

Hi Tim

I don't need to see a sample on site but I would like to see a website link to the product information. As I advised previously, a darker colour to that submitted is preferred here.

Thanks

Thanks Tim

The cladding on the large building is generally considered to be too light in colour so I would prefer to see a darker colour proposed here.

Hi Peter,

Photos and cladding detail attached.

The cladding will match the existing grey buildings on our Shoreham site so will blend in.

Hi Tim

Could you please provide some photos of the existing building and details of the proposed cladding?
